## NEWS-HERALD GIRLS GOLF ALL-STARS

### COACH OF THE YEAR:

Mike Rovtar, Kenston

The Bombers took on all comers this year and came out on top most of the time, going 13-2 overall and 7-0 in the Chagrin Valley Conference. The CVC tournament champs were also district qualifiers after placing second at the sectional level.

### Lisa Barber

**SOUTH**

**Junior**

**Averaged 45.0 for 9, 88.0 for 18**

Her biggest accomplishment was dropping 18 strokes from her 2006 average. The medalist of the NEOGGCA tournament carded an 84 at the Ashland Invitational and had a strong postseason.

### Carly Brandt

**NORTH**

**Senior**

**Averaged 44.8 for 9, 92.0 for 18**

Brandt holds every girls golf record at North for a reason. She was the match medalist in 14 of 18 events this year, including against South, and was first-team all-conference.

### Leah Dancie

**KENSTON**

**Senior**

**Averaged 42.6 for 9, 86.1 for 18**

A decorated multisport athlete, Dancie is a four-time first-team CVC performer, has been to the district tournament twice and had low rounds this year of 39 and 75.

### Nicki Henry

**KENSTON**

**Freshman**

**Averaged 42.9 for 9, 86.1 for 18**

Along with NDCL's Trivisonno, Henry is one of the best young golfers in the area. A district qualifier in her first year of high school, she had season-bests of 39 and 80, setting the bar for the future.

### Lisa Marko

**MAYFIELD**

**Junior**

**Averaged 46.4 for 9**

The team leader in every category for the Wildcats, Marko was medalist in 16 of 19 matches this year, was first-team Northeast Ohio Conference and a district qualifier. Should be among the area's best again next year.

### Nicole Trivisonno

**NDCL**

**Sophomore**

**Averaged 42.5 for 9, 86.5 for 18**

Up-and-coming area golfer has already arrived. She qualified for the district tournament as one of the Lions' team leaders and should be an area staple with state aspirations for the next two years.
