### ATHLETICS

The **Girls' Golf Team** competed at the District Tournament yesterday, in which they placed 7th in a very competitive field. The team was led by Nick Henry, who carded a round of 76 to place first in the tournament out of 72 girls, which also qualified her for the State Tournament next weekend. **Nicki is the first "lady bomber" to qualify for the State Tournament** in the program's history! Way to go Nicki - **good luck next week!**
