## Henry makes history for Lady Bomber golfers

Nicki Henry became the first Kenston girl golfer to advance to the state tournament by winning the Division I regional tournament. She had a 4-over-par 76 in the 72-player field.

"I have put a lot of practice and preparation toward golf these last few years, and I have finally accomplished my goal," Henry said as she prepares for this week's meet at the Gray Course at the Ohio State University in Columbus.

Teammates Tess Ferguson shot a 96, Eleni Seminario had a 99, Lauren O'Connor carded a 102 and Ali Read shot a 106 for a 373 total.

The Lady Bombers finished seventh out of 12 teams. Walsh Jesuit, Highland, Perry and Jackson advanced teams to the state tournament.

Kenston's Nicki Henry kept her eye on the ball as she became the school's first female golfer to advance to the state tournament.
