2009-2010 Fall Sports Awards Night

November 10, 2009

The Athletic Department wishes to welcome parents, students, and honored guests to the Fall Sports Celebration. We have enjoyed a very successful season with 334 athletes participating in this Fall 2009 season.

Girls Golf: The girls Varsity golf team had another successful winning season with a match record of 8-4. The team took second in the CVC falling just one stroke short for the championship, but had a huge comeback to win the Sectional Tournament by a commanding 10 strokes and to qualify for the District Tournament for the fourth time in the past five years. The team finished seventh at Districts just 3 spots shy for qualifying for the State Tournament. The lady bombers were led by junior **Nicki Henry** who had a history making season. Nicki had a tremendous post season in which she was the medalist at the CVC Tournament, Sectional Tournament, and District Tournament. She easily qualified for the State Tournament where she finished 10th overall to be named to the All-Ohio 2nd team. She is the first lady bomber golfer to make it down to the State Tournament and the first female bomber golfer ever to be named All-Ohio. It was a very exciting season and the team is looking forward to carrying its success over to next season and have another great year.

JV TEAM: This year the girls JV golf team was comprised entirely of new golfers who had never played competitively before. The young team had a strong desire and willingness to learn the sport. The team ended the season with a record of 2 and 10 but had several close matches that were determined only by a few strokes. Despite their record, the girls always came with a willingness to compete and improve. The team looks to improve their record next year with experience and golf knowledge on their side
