Dear Nicole:

Congratulations on your nomination and ultimate selection as a Student of the Month at Kenston High School. As you know, only one boy and one girl from each grade are selected as a Student of the Month. We are pleased to have your picture up in the front entrance of the school and we are also proud to display your name on the message board.

It is no small task to be an honored student. Many demands are placed upon you academically to succeed and to strive to be your very best. Extracurricular involvement is expected as a sign of your overall development beyond "book learning." Most importantly, perhaps, are the self-discipline, self-motivation, mature socialization, and confidence that you are developing at this time. When you are selected as a Student of the Month at Kenston High School, it is your Teachers and Administrators saying to you that you are doing extremely well in all of these areas. In other words, you can rest assured that you are doing just fine, and that all of us who are observing your progress share a great deal of respect for you and your achievements.

So, congratulations! We are glad you are with us, and we are encouraged by your good example to others.

Sincerely,

Nancy R. Santilli
