Kenston's Henry qualifies for state golf tournament

Nicki Henry of Kenston has qualified for the Division I girls state golf tournament on Thursday and Friday at The Ohio State University Gray Golf Course.

Henry, a senior, reached the state tournament after shooting a 79 at the Division I district tournament. That was good enough to tie the Bomber for third among individuals not on a qualifying team for state. The top four individuals not on qualifying teams and the top four teams advanced to

the state tournament. The district tournament was at The Legends of Massillon Golf Course.

Jessica Porvanik of Medina Highland was the medalist in the district tournament with a 72.

Henry also qualified for the state tournament last season and finished as second team All-Ohio.
